Memo.

The late Arrack Contractors Messrs C. Papanna and Company preferring a claim to compensation on account of the liquor which remained unsold on the 1st April 1892 at the wholesale depôts in the Bangalore City and Station and the Mysore Town at Rs 4-7-10 per gallon and at the other depôts in other places at Rs 4-12-0 per gallon, the Excise Commissioner reported that the rates claimed by them were high and fixed the rates as noted on the margin* and submitted a refund bill for Rs 8828-14-0 in favor of the aforesaid firm making certain deductions on account of the 2 annas gallon fee which was due by the firm to Govt on the Stock of liquor which they took from their predecessors on the 1st April 1887 and on the Establishment fee stock which remained unsold at the depôts on the 1st June 1889 when the New Scheme came into force.

1. The late Arrack Contractors Messrs C. Papanna and Co have been debited in the Comptroller's accounts with duty and other prescribed Govt dues on the net quantity of liquor issued from the Govt Central Distillery till 31st March 1892. If the whole quantity had been sold and nothing had remained unsold in their Depôts, they would have got all that they had been debited with ~~as well as the~~ as well as the cost of manufacture and distribution and profits which Govt allowed them. But there remained unsold in the Depôts on 1st April 1892 liquor as particularized in the margin, for which the contractors have not received anything by way of Compensation.

8. Mr C. Papanna complains that the rates allowed by the Excise Commissioner on account of cost of carriage are much less than that it actually cost him to the Depôts. He claims at least 3 Annas per gallon under this head.

Sir,

In acknowledging the receipt of your docket No: 3609/46-92, dated 4th September 1892, I have the honor to state that the amount of establishment cess entered in the Refund Bill submitted with my letter No: 1039/57, dated 22nd August 1892, is only the difference between the rates which prevailed before 1st June 1889 and those introduced under the new system on 1st June 1889, viz between ½ anna and one anna in the Civil and Military Station and City of Bangalore, and ½ anna and 0-3-2 in the rest of the province, on the stock of liquor on 1st June 1889, which amounted to 2396 Gls. - 32 Dts. in the Civil and Military Station and City of Bangalore, and 6533 Gls. - 9½ Dts. in the rest of the province. On these quantities of liquor the contractors paid establishment cess to Government at the old rate of ½ anna per gallon, while they recovered the cess from retail Vendors at the

the new rates of one anna and 0-3-2 respectively. Such difference aggregated Rs 1163-12-2; and the amount of gallon fee which Messrs. C. Rapamaal & Co; collected on the stock of liquor taken over by them on 1st April 1887, viz 5844-4, without making a corresponding payment to Government, amounted to Rs 730-8-2. These two items are also shown in the Statement of total Demand against them, submitted to Government by the Comptroller. Under such circumstances the Refund Bill is herewith resubmitted for sanction and transmission to the Comptroller.

2. Messrs. Parry & Co; had nothing to do with the stock of liquor which remained unsold in Wholesale Depôts on 1st April 1892. Under Condition (13) in para 5 of Rule XXI in Government Notification No: 495, dated 30 March 1892, arrack Vend farmers took over such stock prepaying duty and price at the present rates. Under paras 1 and 3 of Rule III in Government Notification No: 495, dated 30 March 1892, Messrs. Parry and Co; took over the stock of liquor and some of the plant in the Distillery, belonging to Messrs. C. Rapamaal & Co; and the cost of which the former have been requested to remit to this office to be utilized towards the liquidation of the arrears due to Government by the

latter. The particulars of the amounts thus recovered from Messrs C. Papamiah and Co; will be communicated to Government in due course.

Sir,

(3)

In continuation of this office No: 1352/75, dated 6 September 1892, I have the honor to submit, herewith, an application from Messrs. G. Papannah & Co: praying that their claim for refund of money on account of stock of liquor at the Wholesale depots on 1st April 1892, at the rates entered by them in their application, viz Rupees 4-7-10 per gallon of 20° U.P. for the towns of Bangalore and Mysore, and Rupees 4-12-0 for the rest of the province, may be reconsidered and admitted, on the ground that the cost of carriage and establishment is more than one anna, and that they bought liquor in March 1892, at 14½ annas per gallon of 20° U.P. from Messrs. Parry and Co:

2. I see no reason to alter the rates at which I fixed the compensation recommended in

(1)

in my letter No: 1039/57, dated 22nd August 1892. It may be that Messrs. C. Papamuah and Co; purchased the requisite quantity of liquor at 14½ annas per gallon of 20° U.P. for issue to the Wholesale Depots in March 1892. But such necessity would not have arisen, had they maintained, month by month, one months supply of issuable liquor under the terms of their Contract. I am of opinion that the Government has nothing to do with what they paid to Messrs. Parry and Co; but that they are entitled only to the market value of the liquor on 1st April 1892, on which date it was 10½ annas per gallon of 20° U.P.; in addition to what they had paid to Government for such liquor, plus the cost of carriage. Accordingly, I have fixed the compensation, in my previous letter under reference, at the following rates per gallon of 20° U.P.:—

	Bangalore and suburb towns. Rs as P.	Rest of the province. Rs as P.
Duty paid to Government.	3—5—0	3—5—0
Establishment Fees — ditto —	0—1—0	0—3—2
Market value of the liquor on 1st April 92	0—10—6	0—10—6
Cost of Wholesale Vend	0—1—0	0—1—0
Gallon fee in lieu of License fees.	0—0—0	0—2—0
Total	4—1—6	4—5—8

(1)

3. Messrs. C. Papamuah Heo; complain that the cost of Wholesale Vend is actually more than one anna. In the Dewan's Memorandum dated 31st December 1886, under which the rates were fixed for the late contract, the following rates are given as the total cost of Wholesale Vend:-

		R a P
1	Cost of Wholesale Vend	0—0—5·6
2	Establishments	0—0—5·1
3	Cartage to depots	0—0—3·5 ✓

Sir,

In acknowledging the receipt of Government Proceedings N° 9715 R.F. 45-92 (4) dated 24th December 1892/2nd January 1893, I have the honour to invite attention to this Office N° 3665/201 (5), dated 26th December 1892/3rd January 1893, containing the details on which my calculations were based.

2. On 1st April 1892, there was no stock of 20° U.P. at the Distillery; but there was a small quantity of double-distilled spirits and weak faints, for which the compensation has already been settled and paid for by Messrs Parry & Co.

3. The compensation now to be settled, is only for the Spirits which remained at

Whole Sale Depôts on 1st April 1892, and which the Government sold to the arrack rend farmers and separate shop-keepers, at an average rate of Rs. 4-9-6 per gallon of 20° U. P.

4. In accordance with the instructions laid down in the Govern=ment Proceedings (4) under reply, I beg to submit, herewith, a revised re=fund Bill for sanction and transmis=sion to the Comptroller for audit. In preparing this Bill, I have taken into consideration the actual cost in=curred by the Contractors per gallon of 20° U. P. in regard to the spirits therein mentioned, as per particulars below:-

	Bangalore City.			Mofussil.		
	Rs.	As.	P.	Rs.	As.	P.
Duty.	3	5	"	3	5	"
Establishment Cess.	"	1	"	"	3	2
Gallon Fee.	"	"	"	"	2	"
Price of liquor paid to Messrs. Parry & Co.	"	14	6	"	14	6
Cartage	"	"	1	"	"	4
Total	4	4	7	4	9	"

The Stock was mostly at the Mofussil Depôts. The Contractors' claim in=

Compensation for it at Rs. 4-12-0 per gallon of 20° U. P. They cannot expect it at such rate, as the Government realized on from it only Rs. 4-9-6 per gallon. It will be seen that the rate at which I have now settled it, is only six pies less than what the Government realized.

I have the honor to be,
Sir,
